PROFESSIONAL SUMMARY

Computer Science graduate with good technical, communication, and problem-solving skills, with knowledge of Python, SQL, Excel, and Power BI. Able to troubleshoot customer issues, provide step-by-step solutions, maintain records, and resolve queries professionally. Quick learner with a strong interest in technical support and customer service.

TECHNICAL SKILLS

Programming Languages: Python, SQL

Web Technologies: HTML, CSS, JavaScript

Database: MYSQL

Data Analysis Tools: Excel, Power BI, Pandas, NumPy, Matplotlib, Google Sheets

TECHNICAL PROJECTS

Sales Data Analysis Dashboard

January 2026 – March 2026

- Cleaned and transformed sales data using **Excel and Python (Pandas)** to prepare it for analysis.
- Analyzed sales performance to identify **revenue trends, customer purchasing patterns, and top-performing categories/products**.
- Developed an interactive **Power BI dashboard** to visualize key sales metrics and business performance.
- Tools: Excel, Power BI, Python (Pandas, Matplotlib)

Banking Loan Analytics Dashboard

August 2025 – September 2025

- Analyzed loan application and customer data using **SQL** to identify approval and default trends.
- Developed an interactive **Power BI dashboard** covering loan performance, customer demographics, and branch-level KPIs.
- Created **DAX measures** to calculate approval rate, default percentage, and other key performance indicators..
- Used data analysis to identify **factors associated with loan defaults** and customer risk patterns.
- Tools:- SQL, Power BI, Excel

Customer Churn Analysis

July 2025 – August 2025

- Cleaned and preprocessed customer behavior data to prepare it for analysis.
- Analyzed customer characteristics and usage patterns to identify **high-risk customers**.
- Created visualizations to analyze **churn trends and customer segments**.
- Identified factors associated with customer churn and developed **data-driven retention recommendations**.
- **Tools:** Python, Pandas, SQL, Power BI

EDUCATION

Rise Krishna Sai Gandhi Group of Institutions

B-Tech(Computer Science and Engineering), CGPA: 7.54/10.0

Ongole, Andhra Pradesh

2022-2026

Sri Saraswathi Junior College

HSC, Percentage: 65.5

Ongole, Andhra Pradesh

2020 – 2022

Sri Sai Vidhyanikethan

SSC, Percentage: 78

Ammanabrolu, Andhra Pradesh

2019 – 2020

ADDITIONAL QUALIFICATIONS

Soft Skills: Communication, Teamwork, Problem Solving, Quick Learning, Adaptability, Time Management, and Attention to Detail.
